North Somerset Athletic Club Term Training Session Fees

Training fees for the each school term should be paid at one of the training sessions during the first week of term**.** The training fees now incorporate the annual club membership fee which pays for insurance and annual athlete affiliation to England athletics, allowing you to compete wherever you wish.

Block payments for training fees free up time for the coaches to coach particularly at the start of each training session. The fee pays for venue hire and coach expenses and is a modest £30 per term for the first child, £25 per term for any subsequent child in the same family.

Please fill in the form below, and hand in at a training session with a cheque payable to North Somerset Athletic Club.

The three terms are:	Winter/Spring term	- January to March.
	Summer term	- April to July.
	Autumn/Winter term	- September to December

I enclose a cheque for £_____ to cover …… Term 20… training fees for the following family members:

Athlete 1: ……..

Athlete 2: ……..

Athlete 3: ……..

Name (please use block letters): ……..
